

vintage gelato cart for your event

Gemma Gelato offers a catering service in the greater Washington DC metropolitan area. Our vintage carts are made in Italy and feature traditional Italian Pozzetti gelato tubs. Our carts operate year-round for both indoor and outdoor events. We arrive at your event location and serve gelato and or sorbetto to your guests in either a cup or a cone. We provide a uniformed server along with cups, cones, spoons and napkins. Perfect for office parties, company picnics, school events, fundraisers, mitzvahs, galas, birthdays, graduations, rehearsal dinners and weddings.

About Our Gelati – *practically perfect in every way*

Each morning we start the day with fresh eggs, milk and cream from a local farm. We add fresh fruits, nuts, chocolate and other natural ingredients to make what we believe to be the DMV's best gelato.

Gemma's gelato is more dense, flavorful and creamy than ice cream, with **half the fat** of regular ice cream!
